

PETER WHISTON – LIFE MODEL

I have been an active life model for many years. I currently undertake life modelling work for various drawing schools and adult education centres, including The Royal Drawing School in London at their Shoreditch and Central centres, and have been introduced to 'The Boss' – HRH The Prince of Wales. I also model for their Foundation Year and their Young Artist Programme. I model for Kent Adult Education in their Sevenoaks, Tunbridge Wells, Dartford, Gravesend and Maidstone centres. In addition I model for art organisations like the Royal Academy of Arts in London, plus local arts groups, drawing colleges and for schools as part of their A and AS levels.

I have an athletic build with good musculature. I am DBS checked and a member of the Register of Artists Models No 5047.
